At 7:40 P.M. the Town Meeting reconvened in the Fire Station to act upon Articles 2 through 35. The meeting was started with the Pledge of Allegiance to the Flag. Moderator Edward Libby announced that the Nichols Memorial Library was conducting a survey. Those present were asked to pick up, fill out and return the survey to help the Library in upgrading the service to the Town. He then read the results of the voting for Town Officials, School Board Officials, and the Zoning Amendments. The rules of conduct for the meeting were explained.

Article 2. It was moved by Lew Hanson and seconded by Duke Kline to raise and appropriate the sum of \$296,018 to defray the town charges for the ensuing year. The vote was unanimously in favor.

Article 3. It was moved by Chuck Burns and seconded by John Kimball II to raise and appropriate \$229,567 for the maintenance of Town Highways and Bridges, including sidewalks and dead tree removal. \$25,173 to be paid from State Highway Block Aid, the balance of \$204,394 to be raised by taxes. Article 4. It was moved by Diane Kline and seconded by Frank Fancher to raise and appropriate the sum of \$60,000 for the purpose of upgrading Town roads, to include Piper Hill Road and Old Meredith Road, and any other sections of roads deemed necessary per priority of the Road Agent. Dennis Greene does not feel that \$60,000 for two roads is enough. He feels that it will take \$180,000 to fix Old Meredith Road. He would like to know if there is a plan for fixing the roads. Lew Hanson explained that two years ago it was decided to spend \$60,000 for ten years to upgrade the roads. Mr. Greene asked how much can be done for \$60,000. Road Agent Jeff Haines answered that at \$50.00 a foot 1200 feet a year can be done. Dennis Greene made a motion to amend the amount of Article 4 to \$250,000 the motion was then seconded. Sam Brinkley asked what this would do to the taxes. He does not wish to raise everyone's taxes but does not feel that \$60,000 is enough. Chuck Burns calculated the rate of taxes per thousand. Bart Coudert suggested that those present pass the

\$60,000 and think about the \$250,000 and perhaps write it into a Warrant Article for next year. Mr. Libby then read the amendment after a show of Voter Cards the motion was defeated. The original motion was then voted on. The motion passed with a majority vote.

Article 5. It was moved by Lew Hanson and seconded by Chuck Burns to raise and appropriate the sum of \$158,251 for the disposition of Solid Waste. The motion past with a majority vote.

At this time Mr. Libby explained that we had three Articles coming up, Article 7, 8, and 10, that required a ballot vote. He offered two choices on voting. The first choice was to discuss each Article, mark the ballot and then do it again. Or, discuss all three Articles mark the three ballots and go through the voting line once. The decision was to discuss all three and vote for all three at the same time. At this time Kirk Meloney made a motion to delay action on Article 9 until action was taken on Articles 7, 8, and 10. This motion was seconded and passed.

Article 7. It was moved by John Schlemmer and seconded by Roger Martin to raise and appropriate the sum of \$58,411 for the purpose of purchasing a new utility vehicle for the Center Harbor Fire Department, and to authorize the issuance of not more than \$48,411 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. The sum of \$10,000 to come from the Firemen's Benefit Fund. Furthermore, to raise and appropriate the sum of \$16,137 for the first year's payment. Article 8. It was moved by Scott Davis and seconded by Frank Fancher to raise and appropriate the sum of \$22,200 to pay Center Harbor's portion of the new quarters for the Lakes Region Mutual Aid, and to authorize the issuance of not more than \$22,200 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. Furthermore, to raise and appropriate the sum of \$7,852 for the first year's payment. Edwin Townsley asked for an explanation of what it does to the Towns financing to be issuing additional bonds, and what the total amount of bonding the Town can support is. Lew Hanson explained that Mutual Aid gave the Towns a choice to pay the \$22,200 in three, five or ten years. The Selectmen chose the three year plan. The

vote was 85 YES and 5 NO. The motion passed.

Article 9. It was moved by John Schlemmer and seconded by Chuck Burns to raise and appropriate the sum of \$12,500 for the Wajax Wildfire Unit, and to accept \$10,000 from DRED, the remaining \$2,500 to be raised by taxes. Connie Martin asked what this was? John Schlemmer answered that this includes tanks, pumps and other equipment for fire suppression. The vote was unanimously in favor.

Article 10. It was moved by Charlie Hanson and seconded by Duke Kline to raise and appropriate the sum of \$83,483 for improvements in stormwater management to protect hillside and beach from erosion, and to authorize the issuance of not more than \$33,393 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. The sum of \$50,090 to come from the Belknap County Conservation District. Furthermore, to raise and appropriate the sum of \$11,131 for the first year's payment. Duke Kline represented the Center Harbor Conservation Commission and recommends this project. Jeff Haines explained that due to rain there has been erosion in the areas shown on the display photographs. DES looks at this as a restoration project. The vote was 85 YES and 6 NO. The motion passed.

David Johnson moved to amend this amount to \$118,686 for the operation of the Police Department. Richard Hanson seconded this motion. David Johnson then spoke to this issue. John Ludwick agrees with Mr. Johnson and would like to add that on Monday and Tuesday from 4 o'clock on there is no police patrol coverage. Mr. Ludwick wants to raise it \$14,000 to cover Monday and Tuesday night. The vote on increasing the amount to \$118,686 was passed.

Article 12. It was moved by Diane Drenkhahn and seconded by Walter Newcomb to authorize the Selectmen to enter into a lease-purchase agreement in the amount of \$24,190 payable over a term of three years at a rate of \$8,710 per year to purchase a new Ford Victoria police cruiser for the Police Department, and to raise and appropriate the sum of \$8,710 for the first year's payment for this purpose. This Article passed with a majority vote.

Article 13. It was moved by Lew Hanson and seconded by Connie Martin to raise and appropriate the sum of \$28,560 for Parks and Recreation, to include Holiday celebrations and Lifeguards. Diane Drenkhahn asked if the Foot Race had been pulled out of Parks and Rec. Lew Hanson answered yes, to unload some of the responsibilities of the Parks and Rec Department. The vote was unanimously in favor.

Article 14. It was moved by Chuck Burns and seconded by Diane Kline to raise and appropriate the sum of \$7,800 for the annual July 4th Foot Race. Eloise Coudert questioned the amount. Chuck Burns explained that this included salary, general supplies, t-shirts, and trophies. Robin Woodaman added that the cost of the 4th of July fireworks was also included in that amount. Eloise Coudert explained that proceeds from the race off-set the cost and encouraged everyone to vote for this Article. This Article passed with a majority vote.

Mr. Mayerson answered that in the winter the equipment is stored in the Town Garage, in the summer it will be stored in the Fire Department. David Schimke asked how many would be accommodated. Mr. Mayerson replied the bandstand will accommodate 26, the addition 12 to 15. A petition signed by five voters requested that this be a ballot vote. The vote was 48 YES and 31 NO. ## CENTER HARBOR PLANNING BOARD REPORT

The Center Harbor Planning Board held its regular meetings during 2000 on the first and third Tuesday of each month. There was not a lot of activity with regards to major development or subdivisions this year; however, the Board kept busy with appointments for Non-residential Site Plan Reviews, as well as discussions with citizens for various minor subdivisions and accessory uses.

The New Hampshire Music Festival approached the Board in October with a possible plan to acquire the Red Hill Inn property and create a permanent home with a state-of-the art concert hall, to which the Board responded with a few modifications to our ordinances which will be put to the voters at Town Meeting, 2001. It will be interesting to see if the townspeople vote in favor of this type of development.

In closing, the Board gratefully acknowledges the efforts of our clerk Sheila Mohan for keeping us organized as well as the efforts of Co-Chairman Ed Libby for spending so much time drafting (and re-drafting) our proposed ordinance changes; without their efforts things would go undone.

Respectfully submitted,

Kirk Meloney  
Co-Chairman, CHPB

The focus for the past year has been on preparing the Library collection for automation. With the help of a core of able volunteers, the bar coding of books and shelflist cards was completed. The bar coded shelflist was sent to Sagebrush, Inc. in November to be converted to a data base on CD-ROM. We did a thorough weeding of the book collection during the bar coding process. Books were withdrawn that contained obsolete information as well as fiction that had not circulated in many years. A vendor, Adel-XT, was chosen to provide the new hardware needed for automation and the computers are in place. The software for the circulation/cataloging automation is ready and our vendor will load our data base when it is completed. Library staff and volunteers will create computerized patron records. New library cards with bar codes will be issued as soon as they are ready.

The Library provided two computers for public access to the Internet and they were used 518 times by patrons during the past year. FCG Networks is now providing the Library with two free Internet accounts. The generosity of Trustee Helen Heiner and the Meredith Village Savings Bank provided another year of passes to the Squam Lakes Natural Science Center and to the Christa McAuliffe Planetarium. Hampshire Hospitality Holdings provided four free passes to the Mount Washington cruise ship and mail boats from August through

October. The annual book sale was held in July and raised funds used to augment the audio and video collections. The Library jointly sponsored a \$100 savings bond with the Parks and Recreation Department for the winner of the Memorial Day essay contest. The Library has been approved for E rate funding of \$930 for the period July 2000-June 2001. These funds support public access to the Internet via dial up connections.

The members of the Long Range Planning Committee completed their study of library and community needs. They presented their report to the Trustees at the November meeting. The recommendations in the area of library services included expanding library hours; adding more fiction, magazines, newspapers, videos, and books on tape; improving connections with local schools and school libraries; collaborating with the Town and Historical Society to collect and preserve local historical materials; and continue computerization efforts for efficiency, public access and regional library cooperation.

For the physical building, the major recommendations of the Committee are to solve the long standing water problem on the lower level; replace the heating system; continue improvements to electrical system; renovate lower level for increased space; and address the need for handicap access. In concluding their report, the Long Range Planning Committee addressed the problem of funding their recommendations. They proposed initiating a capital improvement campaign to solicit donations from charitable trusts, corporations and individuals. The complete report is available at the Town Office and at the Library. The Trustees appreciate the many hours devoted to this project by the Committee members.

The Trustees have voted to increase library open hours by four hours each week from Memorial Day to Labor Day, beginning in 2001. These hours will be added the Wednesday schedule and the Library will be open on that day from 10am-8pm during the summer months. Staff member Judy Hodges has had to reduce her part time hours to devote more time to her responsibilities at the Meredith Public Library. We have hired Lois Brady as a part time staff member to fill the needed hours.

I am very grateful to the Trustees, Nichols Memorial Library Association, assistant Judy Hodges and volunteers, for their contributions of time and support this past year.

Sandra S. Pickel  
Librarian

## JAMES E. NICHOLS MEMORIAL LIBRARY ASSOCIATION

When James E. Nichols gave the Library to the Town of Center Harbor in 1910, he assured the existing Library Association that they would have a home in the new building for as long as they continued to be a viable organization. The Association which became the James E. Nichols Memorial Library Association was charged with overseeing the operation of the Library. State law eventually mandated that the day-to-day managing of the library be done by a Board of Trustees which continues to this day. This has released the Association to become more of a "Friends" group which supports the librarian and the trustees in attaining desirable objectives which would be beyond the financial and manpower constraints of the tax-supported budget to provide.

In the year 2000, the Association was active in a number of initiatives. First was its participation and support of the community based Long Range Planning Committee. This volunteer group, made up of a cross section of the Town's population, was charged with looking at the Library in the year 2000 and projecting its needs for the next decade. The Committee's report has been submitted to the Board of Trustees for their discussion, deliberation and action.

Secondly, the Association was instrumental in seeking funds to purchase and install a computerized catalog of the library's shelf lists. The funds were secured from private donors, three charitable foundations and from association membership dues and fund raising activities. The computerization has now been completed and by the date of the 2001 Town Meeting should be operational.

Thirdly, a committee of the Association continued its Read-2-Me program for pre-schoolers. The children who were drawn mainly from Kidsworks Day Care Center, came to the library once a week where invited "Readers" spoke of their work in the community, read to the entire group of children about that work, and then turned them over to a number of other readers who read to the children on a one-to-one basis.

At the 1999 annual meeting held in January 2000, the Association membership adopted a new set of bylaws. One of the major changes was to shift the annual meeting to the first Saturday in November so that more members might attend before heading to warmer winter climates.

Also in 2000 members of the Association have participated in fund-raising efforts of bake sales on election days and at the Historical Society's annual plant sale. In June, 2000 the Association held a day of appreciation to mark the 90th birthday of the Library and to welcome patrons and townspeople to their library.

The James E. Nichols Memorial Library continues to welcome residents from Center Harbor and neighboring communities at the beginning of the new millennium, its 10th decade of existence, and expects to do so in the future.

Paul S. Mayerson, President  
James E. Nichols Memorial Library Association

CENTER HARBOR CONSERVATION COMMISSION  
2000 ANNUAL REPORT

During 2000, the Commission concerned itself with a number of Dredge and Fill permits for the reconstruction of existing docking facilities and shoreline construction on the lakes within Center Harbor. Most permits concerned issues at Squam Lake.

The Commission completed its fourteenth year of Lay Lake Monitoring in Center Harbor Bay. This year, however, we were able to sample the deep water site of Center Harbor Bay only during a field study conducted by the Freshwater Biology Group of the University of New Hampshire. This was due to the unavailability of boats and lake monitors. Lake monitors take water samples on a weekly basis during the summer months. Since the inception of the monitoring program in 1986, Center Harbor has continued to enjoy the benefits of an oligotrophic (clear and clean) lake. This program is part of a statewide monitoring program.

The Commission also completed phase 1 of a long-term project "Wetlands Mapping for the Town of Center Harbor". With the help of University of New Hampshire senior wildlife biology and natural resource students, we began an inventory of plants and animals which inhabit our designated wetland areas. In addition, the most current information regarding wetlands in our town was superimposed on a topographic map of Center Harbor. This was done in an effort to assist our town planning boards and officials to be better able to make decisions effecting sensitive wetland areas.

The Commission continues to be involved in the annual Household Hazardous Waste Collection Day in July and designating The Ken Sorlien Campership Award to two Center Harbor youths.

It is the Commission's purpose to continue to promote conservation awareness through education and hands-on participation in conservation activities.

Annual Report  
for  
The Center Harbor Fire Department  
2000

The year 2000 began with a lot of excitement for the new century and worries about what might come to pass when the clock struck midnight. To everyone's relief the evening went by without any hitches, but if there had been problems, the Center Harbor Fire Department was prepared. We spent many hours planning, preparing and then standing by, expecting the worst, but hoping for the best.

The rest of the year went by fairly quietly, with the Fire Department responding to almost the exact same volume of calls as they had in 1999. Fortunately, the Town of Center Harbor only experienced 2 building fires in 2000, both of them very minor, and both of them extinguished before any major damage had been suffered.

Medical emergencies are continuing to be a large part of our call volume, therefore we are answering that call with 3 additional EMT's. These members are to be congratulated and thanked for volunteering their time to gain the knowledge and training necessary to perform these lifesaving skills when we need them most.

The year 2000 saw the delivery of the Fire Department's new Rescue/Utility, a 2000 F-550 Super-Duty 4-wheel drive crew cab truck. The Department wishes to thank you for your continued support in helping us to help you, the residents of Center Harbor, New Hampshire.

In closing, let us not forget to exercise safety every day, whether it be at home, on the job or when we are enjoying the scenic beauty of this wonderful area that we call home. Remember to keep your smoke detectors in good operating condition at all times. Smoke detectors do save lives.

Remember, if you need emergency help, Dial 911. This is the quickest way to get help started.

If any of you have an interest in joining the Center Harbor Volunteer Fire Department, we would be more than happy to welcome you on board. We will provide you with free training, excellent equipment and the opportunity to help your fellow neighbor, which is one of the greatest rewards that you may ever experience in life.

## TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

There are 2,200 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The number of fires reported during the 2000 fire season was below average as referenced in the statistics below. Despite this, our network of fire towers and detection patrols were still quite busy with the fire towers being first to report over 135 fires. These fires were quickly and accurately reported to the local fire department for their prompt and effective suppression efforts. Wildland fires occurring in areas where homes are situated in the woodlands are a serious concern for both landowners and firefighters. Homeowners can help protect their homes by maintaining adequate green space around them and making sure that houses are properly identified with street numbers. Please contact the Forest Protection Bureau to request a brochure to assist you in assessing fire safety around your home and woodlands.

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. Forest Rangers have investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217, or for general information visit our website at [www.dred.state.nh.us](http://www.dred.state.nh.us).

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection system and reports from citizens aid in the quick response from local fire departments. These factors are critical in controlling the size of wildland fires, keeping the loss of property and suppression costs as low as possible. Due to permitting and fire safety concerns, please contact your local fire department BEFORE using portable outdoor fire places and vessels, including those constructed of clay, concrete or wire mesh.

Please contact your local fire department before doing ANY outside burning.

CENTER HARBOR POLICE DEPARTMENT  
2000 ANNUAL REPORT

The Center Harbor Police Department was pleased to hear the comments from the citizens of this town on how well our police cadets helped out around the community. These young cadets collected fees from non-residents at the town boat ramp, assisted with traffic at the Friday evening band concerts as well as issue parking tickets to illegally parked vehicles. During the Fourth of July celebration, they were extremely helpful handling traffic.

During 2000 most of our part-time officers moved on to other employment opportunities. I would like to thank them for the time they served the Town and wish them all the best. We have been very fortunate in finding new, qualified part-time police officers to assist us in our weekly schedule. As in the past, they will continue with their training throughout the year. This should make coverage of the town more efficient.

The Belknap County Sheriff's Department received a Federal grant for Mobile Data Terminals (MDT's), with the primary benefactors being the police departments in Belknap County. These MDT's are used for running motor vehicle checks, as well as communicating between officers throughout the county. Two of these MDT's have been issued to the Center Harbor Police Department for use in each of our cruisers. Information obtained through the MDT is quickly available to the officer without having to contact the dispatcher at the Belknap County Sheriff's Department. This saves on time and aids in officer safety.

A special thank you to Chip Sorlein for all her years of service to the Police Department. She has worked numerous hours on a volunteer basis. I am extremely grateful for her help and friendship. I would also like to thank the citizens of Center Harbor for their donations of used cell phones, which are used by victims of domestic violence in emergency calls.

In closing, I would like to thank the townspeople for their continued support of, and generosity to, the Center Harbor Police Department.

Respectfully submitted,

Chief Andrew Faller

CENTER HARBOR TOWN BAND  
(established 1878)

The Center Harbor Town Band celebrated its 122nd season with gusto as ever increasing number of participants and spectators attended the Friday evening concerts. Over 75 band members registered to play with an average of 50 performing on any one day. Audiences in excess of 300 spilled over the terraced amphitheater to provide attentive, enthusiastic listeners as the Band offered their usual mix of marches, overtures, pop and show tunes and audience participation novelties.

However, the success of this summer series can be attributed to many more individuals and organizations than just the musicians and their supporters. Special appreciation is acknowledged to Seth Ira Stearns who was master of ceremonies each evening, to Richard Drenkhahn who ably arranged the sound system for each concert and to Jeff Haines for spearheading the task force which managed to solve the problems of erecting and disassembling the new stage extension. Town departments also responded in their usual friendly fashion to see that all went well during the season. Thanks should be expressed to the Center Harbor Police Department, Fire Department, Highway Department, Parks and Recreation Department, Town Office Staff and to the Board of Selectmen. Last, but not least, I must thank the taxpayers of Center Harbor for continuing to support the band as it has done for so many years.

The Band is looking forward to playing its 123rd season in 2001. With the same level of cooperation from all the above, there should be no doubt that summer audiences will be able to look forward once more to "Friday night as music night" in Center Harbor.

Paul Mayerson, Director  
Center Harbor Town Band

It is once again a privilege to report to the people of this large Northern Council District 98 towns and four cities spread throughout Coos, Grafton, Carroll, Belknap, and Sullivan Counties.

The constitutional and statutory responsibilities of the Executive Council are within the Executive Branch of your New Hampshire State government. Our role is much like a board of directors of a large company. We are charged with carrying out the laws and budget passed by the New Hampshire House and Senate. The Governor and Council employ 294 Commissioners and Directors to administer over 100 departments and agencies to carry out the details of the laws and budget of your State government. The Council has an overall supervisory role in assisting citizens, business, agencies, towns, cities, and counties in effectively working with State government.

Preparing for the coming two-year term that I have been elected to as one of your public servants, I share with you the following ideas and requests:

- If anyone is interested in making a volunteer contribution of their time and talent on a Board or Commission through the appointment process of the Governor and Council, please contact my office or Kathy Goode, Council Liaison, Governor's Office, State House, Concord, NH 03301, Tel. 271-2121, and ask for the appointment list for 2001. As your Councilor, I am always looking for people to serve on a multitude of Boards and Commissions in your State government.
- The Governor's Advisory Commission on Intermodal Transportation (five Executive Councilors and the Commissioner of Transportation) will be holding hearings around the State on citizen and regional planning commission recommendations for improving our highway system throughout New Hampshire. If you have suggestions on a needed improvement, please send them

to your regional planning commission or to my office soon so they may be given consideration.

- The Regional Health Planning District Councils continue to meet and consider major changes in the health maintenance system for citizens both at the local and state levels. Anyone wishing to serve on your region's District Health Council should contact my office or Lori Real, Director of Planning Research at NH Health and Human Services Department, Tel. 271-4235..
- As one of your elected officials, I would urge your town and region to be in constant contact with our New Hampshire Congressional Delegation to let them know of your ideas, concerns and desires. I am interested in promoting projects to send to Senators Smith and Gregg and Congressmen Sununu and Bass. They are effective in their committee assignments and should always have a list from back home in New Hampshire to advance in our nation's Capitol.
- I recommend use of the NH Webster System. It is the official state locator for your New Hampshire State Government at <http://www.state.state.nh.us>. A complete directory of phone numbers and addresses of all state agencies is listed for your convenience. Utilize your local Town/City Library to access the Webster System which is administered and maintained by the New Hampshire State Library.

SUBMITTED FOR THE 2000 ANNUAL TOWN REPORT

LAKES REGION PLANNING COMMISSION

LRPC, with a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, is one of nine regional planning agencies established by state statute. We continued to have a very busy year. Our work program remains full with activities such as local planning assistance, circuit rider planning, regional information systems & mapping, transportation planning, economic development, and natural resources planning. We are funded through multiple sources including local dues contributed by member municipalities. LRPC is called upon many times each week to provide local technical advice, and to respond to requests for service. We have also continued to maintain a regular dialogue with those state agencies that depend on us as a resource for the entire Lakes Region. Our goal remains to provide support and leadership to the region, its governments, businesses, and citizens.

A few of our accomplishments over the past year are as follows:

- Updated the Region's Transportation Plan which lays the ground work for future transportation-related projects. Initiated the update of the 2000 Regional Transportation Improvement Program.
- In cooperation with the New Hampshire Municipal Association, LRPC organized a day-long workshop on "Planning Board Basics" which was well received by area participants.
- Co-hosted and organized three public Municipal Law Lectures where practicing attorneys provide a legal perspective on local planning, zoning and other municipal issues.
- Coordinated the 15<sup>th</sup> annual Household Hazardous Waste Collection (HHW), the largest single day, multi-site collection in New Hampshire. Renewed efforts to include a permanent HHW Collection Center by creating the Lakes Region Household Hazardous Product Facility Committee.
- Prepared and released an annual report on Development Trends in the Lakes Region. Over 92% of all development in the region remains residential development.
- Prepared an assessment on the way area communities regulate home occupations through zoning ordinances.
- Represented local interests on the policy boards of area economic development councils.
- Performed approximately 130 traffic counts around the region, as the result of a new initiative with the NH Department of Transportation.
- Continued to provide support to the Pemigewasset River Local Advisory Committee leading to the adoption of a River Corridor Management Plan.
- Co-sponsored a regional meeting, in cooperation with the NH Office of State Planning, on the federal and state flood insurance program.
- Expanded the digital, regional land use database; twenty-one municipalities are now completed.
- Completed and submitted the Lakes Region Tour Scenic Byway Plan, a unique resource to aid regional transportation and tourism.
- Convened four area commission meetings that focused on transportation, historic preservation, Main Street and groundwater.
- Co-hosted a tourism economic development forum, in cooperation with the Division of Resources and Economic Development and Belknap County Economic Development council

We look forward to serving Center Harbor in the future. Feel free to contact the LRPC at 279-8171 or on the internet at [www.lakesrpc.org](http://www.lakesrpc.org) for additional information, or whenever we can be of assistance.

## REPORT OF THE AMERICAN RED CROSS

Dear Friends,

The mission of the Red Cross is to help prevent, prepare for, and respond to emergencies. This includes providing disaster relief services and Red Cross volunteers are trained to coordinate and provide for the basic human needs of disaster victims, 24 hours a day, 365 days a year.

When fire strikes a neighbor and the family is faced with the loss of everything they own, you can rely on the Red Cross to be on the scene when they are asked to be. Direct emergency assistance includes vouchers for food, clothing, medicine, emergency shelter, emergency home repairs and basic household necessities; thorough damage assessments and building repair estimates; clean-up kits for use by the families to re-enter homes and begin recovery; and emergency mental health counseling. In addition, Red Cross disaster volunteers work as a liaison between and among other non-profit human service organizations on behalf of disaster victims to coordinate other identified needs such as fuel assistance, emergency care for pets, donations of needed goods and services. All direct assistance from the Red Cross is based on verified disaster-caused needs. **We never send a bill for these services - ever - no matter how costly, or how long we must stay on the scene of a disaster.**

The Red Cross also serves as the official communication link between active members of the military and their families, relaying messages regarding birth, death and serious illness. This service is provided 24 hours a day, 365 days a year, around the world, without the benefit of any federal or state government funding. Remember "We'll be there, because help can't wait."

Preparing for emergencies is a vital part of the Red Cross mission, and it is provided through various health and safety training courses. These include first aid, Cardia Pulmonary Resuscitation (CPR), lifeguard training, water safety, swimming lessons and HIV/AIDS education. New this year are training modules for the workplace, which include first aid, CPR and Automatic External Defibrillation (AED), plus training on stress management, back injuries and preventing disease transmission. Last year 13,326 individuals enrolled in at least one course and 11,482 certificates were issued to members of the communities were serve who successfully completed courses.

The Greater White Mountain chapter provides these services to more than 50 communities in its jurisdiction, which covers more than 3,000 square miles from Gilmanton to the Canadian border.

The Red Cross is not a government agency and receives no federal or state government funding; we are a non-profit organization that depends on charitable gifts or time and money from the American people in order to provide our services. We are very proud to emphasize that 92 cents of every dollar goes toward direct service.

Sincerely,

Ray Gessner  
Member Board of Directors

## REPORT OF NEW BEGINNINGS

On behalf of New Beginnings - A Women's Crisis Center, I would like to thank the citizens of the Town of Center Harbor for their continued support. Your 2000 allocation of eight hundred fifty dollars has enabled us to continue to provide 24-hour crisis support, outreach, and assistance to victims of domestic and sexual assault in all of Belknap County.

Our organization operates a full-time shelter, staffs a 24-hour crisis line, provides advocacy at court, hospitals and police stations, social service advocacy, and offers peer support groups for victims of domestic violence and sexual assault. We also run community and school based education programs. We are members of the Belknap County Family violence Prevention Forum, a task force made up of community members and professionals initiated by the Governor's Commission to take a stand against domestic and sexual violence in our county.

New Beginnings had advocates and staff in Belknap County courts each working day of this budget year. New Beginnings volunteers donated 12,625 service hours. All services are provided free of charge.

We are members of the state-wide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic violence and sexual assault programs. The coalition is the evaluating body and administrator of state and federal contracts that provide some funding for member programs and advocates for legislative change that affects victims of domestic and sexual assault.

If you need further information please call 528-6511.

Sincerely,

Kathy Keller, Executive Director

## INTER-LAKES DAY CARE CENTER AND NURSERY SCHOOL

During the year 2000 the Inter-Lakes Day Care Center served 158 children from 109 Lakes Region families. As a non-profit agency governed by a volunteer Board of Directors, the Center operates a preschool program with a full range of services including a comprehensive developmentally appropriate educational program, health care, special needs, vision and hearing screening, dental care, transportation for kindergarten, and parenting. As a participant in the USDA Child Care food Program, nutritious hot lunches, breakfasts, and two snacks are served daily. Additional services include sponsorship of the Inter-Lakes Family Daycare Nutrition Program; a group of 30 licensed home daycare providers who receive federal reimbursement from USDA by serving approved meals and snacks while providing care for children of working parents.

Our school is open on a year-round basis from 6:30 a.m. to 5:30 p.m.. And our primary concern is to provide a home-like, educational environment for infants, toddlers, preschoolers, and students participating in the "Seven Upper Club", which is a school age extended day program. Through the State of New Hampshire under Title XX, for those who are eligible, we are able to provide sliding fees based on income and family size. Eligibility is for employment, training, pursuit of degrees or certificate programs, job search, or temporary disability.

On behalf of the Board of Directors, staff and children at Inter-Lakes Day Care Center we wish to thank the Town of Center Harbor for its continued support.

## REPORT OF LAKES REGION COMMUNITY SERVICES COUNCIL

Throughout the past year, Lakes Region Community Services Council has continued to serve seven Center Harbor residents who have developmental disabilities. Services include community living arrangements, vocational services that assist with job training and peer support, family support services that provide respite care, assistance with doctor appointments and emotional support for families as needed. Early Intervention services are provided to children three and under who may be at risk for developmental disabilities. Those services include speech, occupational and physical therapy. Transportation services are also available to the individuals we serve and others in the community.

In the past, the focus has been on transportation; although this will continue, we will begin a new initiative in 2001. This year, the focus of the funding requested will go toward providing recreation opportunities for individuals in the Center Harbor area. In the last year, Lakes Region Community Services Family Support Department has spent a total of \$11,080.00 on camp scholarships and \$1,836.00 was spent on miscellaneous recreation expenses in Region III. We realize there are many recreational activities available, but only some of the individuals with developmental disabilities are able to access them. Our hope is to hire a person to assist in the programs available and make them accessible for both children and adults with developmental disabilities.

Respectfully submitted,

Lakes Region Community Services Council

## REPORT OF THE WINNIPESAUKEE WELLNESS CENTER

The search for a site for a supervised exercise program for people in the communities north of Laconia began in the summer of 1999. With the collaboration of LRGHealthcare, Huggins Hospital, friends of the Community Wellness Center in Laconia, and the pastor of the Center Harbor Christian Church, the site on Bean Road was found and is now the home of the Winnepesaukee Wellness Center.

The Center is dedicated to the maintenance and improvement of the health and well being of our friends and neighbors by offering an ongoing exercise program to anyone who would like a supervised setting. Anyone may participate including those who are challenged by diabetes, arthritis, obesity, asthma, multiple sclerosis, chronic obstructive pulmonary disease, heart disease or couch potatoes who need supervision, group motivation and encouragement. A physician's referral is needed prior to beginning an exercise program. After meeting with the nurse and undergoing a brief physical an individualized program of physical activity is designed. A nurse, exercise specialist, or respiratory care practitioner is available at all times. This team works closely with each individual and their personal physician to help them meet their personal goals.

The Winnepesaukee Wellness Center is reimbursed by many insurance companies. Financial scholarship assistance is also available. We would like to thank the citizens of the Town of Center Harbor for help with these scholarships. Your continued support would be greatly appreciated.

Please call 253-1839 for further information. The Center is open Monday, Wednesday and Friday.
